Bill Signed to Aid Space Program

By DOUGLAS B. CORNELL

AUGUSTA, Ga. (AP) — President Eisenhower signed today a bill to give a financial lift to Project Mercury, for launching a man into space.

In a two-hour work session before his daily round of golf, Eisenhower also accepted the resignation of William J. Holaday as chairman of the civilian-military liaison committee.

The committee was set up to bring about improved teamwork in the space field. In a letter submitted his resignation, effective April 20, Holaday noted that legislation pending in Congress would dissolve the committee and said personal reasons dictated his giving up the chairmanship.

In a business session with two White House attorneys, the President signed a bill appropriating an extra 23 million dollars for the National Aeronautics and Space Administration to spend in the fiscal year ending June 30.

Of the total, \$12,200,000 is for Project Mercury, the remainder for equipment and construction.

Eisenhower hurried from his work session onto the golf course.

It was ideal, sunny weather when the chief executive teed off.

Ex-Castro Backer Still Eludes Him

By ROBERT BERRELLEZ

LAS MERCEDES, Cuba (AP) — An insurgent former officer of Fidel Castro's army today continued to elude crack government mountain troops in a chase over the soggy pinnacles of east Cuba's Sierra Maestra.

Castro is directing operations in the ninth day of an intensive man-hunt for ex-Capt. Manuel Beaton and his band of armed guerrillas, believed to number about 50 men. Fidel's brother Raul, the armed forces chief, and other top commanders also are in the field.

A cloak of official silence hung over the military movements in the densely forested steep Sierra overlooking the Caribbean along Cuba's southeast coast.

The only official word late Thursday night was that Beaton had not been caught.

There were unconfirmed reports in Havana that 1,000 regulars of Castro's army had ringed 6,500-foot Pico Turquino—Cuba's highest mountain—in the belief they had trapped the bulk of the rebels. Official sources refused to comment on this and another report of fighting in the area of Palma Soriano, along the eastern fringe of the Sierra Maestra, in which it was said 12 government soldiers were killed.

Cuban newsmen reported they saw Castro in the hills but he ordered them to get out.

From other sources in the general area of this tiny village at the foothills of the Sierras this much was learned:

Castro has thrown thousands of men into the drive from three directions—east, north and west—on Beaton's suspected center of operations.

There is a possibility that one or two more rebel bands operating independently of each other are hiding out in the mountains. These bands are reportedly led by men identified only as "El Mexicano" and "Lagruya," both described as former Castro men.

Co. Singing Convention in Session

The Hempstead County Singing Convention will be held at the Holly Grove Methodist Church on Saturday night and Sunday, April 16 and 17. Singing will begin at 7:30 Saturday night and Sunday morning at 10:30.

In this community in 1933 the first Hempstead County Singing Convention was organized with the first president being H. J. Almond, vice president, Jack Hartsfield and chaplain J. J. O'Steen. Holly Grove is located 10 miles north of Hope off Highway 29. Ivy Mitchell urged everyone to attend.

Tabernacle to Start Revival

The Rev. and Mrs. Horace A. Booker comprise a musical party that specializes in the Word of God and will begin revival services at the Gospel Tabernacle on Tuesday, April 19 at 7:30 p.m.

Heavy Damage as Tornadoes Hit Arkansas

Three tornadoes dipped into west Arkansas last night, causing thousands of dollars worth of property damage and three injuries.

The twisters slapped at Norman in west central Arkansas, Concord and Dyer near Fort Smith, and a rural area near Clarksville.

All three storms uprooted trees and utility poles, shattered out-buildings and damaged homes. The Concord-Dyer and Clarksville storms destroyed two houses each and the Norman tornado destroyed one.

The most destructive tornado was the one which struck the Concord-Dyer area. Mrs. Herbert Hawkins and Mrs. Emmerson Squires, both residents of the Concord Community, were injured.

The storm leapfrogged over Alma and touched down again at Dyer, damaging the \$50,000 home of Dr. and Mrs. O. J. Kirksey. Mrs. Kirksey was slightly injured.

The tornado which struck eight miles east of Clarksville in Johnson County destroyed homes owned by M. D. Cromer and M. D. Cromer Jr. No injuries were reported.

The Norman tornado ripped a house owned by Benny Biceola. The family was visiting out of state and no injuries were reported. Several other dwellings were damaged in the Norman-Mt. Ida area and some large chicken houses were destroyed.

There was no immediate estimate of monetary damage.

A main power line was severed by the Norman tornado and about a dozen small towns were plunged into darkness temporarily. Mt. Ida was without electricity for three hours.

Mr. and Mrs. R. L. Cowart of near Norman saw the funnel headed toward their house. They jumped into their car and drove away. The tornado whipped the roof from the dwelling while they watched from a distance.

Spencer Liburn, a forest ranger in a tower near Norman, watched the storm rave along Highway 27 between Norman and Mt. Ida. "It stayed near the ground for about three or four miles," he said, "touching down, then going back up again."

McCoy Smith, Alma city marshal, watched the Concord-Dyer tornado. He said:

"It was just a big, long bundle of smoke and the back end was whipping. We watched it hit Concord and jump over Alma, then hit again at Dyer. Boy, we were lucky at Alma!"

Rain and hail fell in other parts of the state.

Hailstones 1½ inches in diameter followed the tornado at Norman.

Easter Music Planned by Baptist Choir

The choir of the First Baptist Church will present their annual Easter music Sunday in an hour-long program.

The program will be under the direction of Gilbert Thomas, Director of music and education, accompanied by Mrs. H. A. Spragins organist and Mrs. Jewel Moore, pianist. A vocal solo will be sung by Mrs. James Shuffield.

Africa Braces for Another Work Boycott

JOHANNESBURG, South Africa (AP)—South Africa's government braced today to meet the threat of another crippling Negro work boycott protesting the white regime's stern racial policies.

Police kicked off a new series of raids against "inciters and agitators," rounding up 100 persons in the African settlement of Orlando, on the outskirts of Johannesburg.

The outlawed African National Congress' emergency committee circulated pamphlets through Orlando and other Johannesburg Negro settlements Thursday calling for a one-week work boycott beginning Monday.

Deputy Police Commissioner C. J. Lemmer warned that "the hundreds of thousands of law-abiding Africans must not stay away from work."

"They must ignore the pamphlets if they have received them. They must not allow themselves to be intimidated," Lemmer declared, adding that "police will be on duty in full force and will be able to provide all the protection needed."

The government of wounded Prime Minister Hendrik F. Verwoerd clearly planned to take all necessary measures to prevent a repetition of the no-work campaign—a potent economic weapon in this country where three million whites lean heavily on the labor of 10 million Negroes.

Large Local Group to RRV Session

The Red River Valley Association will hold its 35th annual convention next Monday and Tuesday, April 18 and 19 at the Washington-Youre hotel in Shreveport.

The first session will get underway Monday morning and the highlight of the entire convention will be an address by Sen. John McClellan at noon Tuesday. This will be his first appearance at a Red River Valley Assn Convention.

Another highlight of the Convention, and one that is of particular importance to Southwest Arkansas, is the Millwood Breakfast to be held Tuesday morning at 7:30 in the Lake Room of the Captain Shreve Hotel.

Citizens from Ashdown, Texarkana, Magnolia, Lewisville, Prescott, McNab, Saratoga, Fulton and Hope will be in attendance at this breakfast meeting. Special guests will be Senators McClellan, Long, Ellender and Kerr, Congressman Orrin Harris and Corps of Engineer personnel from Washington, Dallas and Tulsa.

Several local citizens will leave Sunday afternoon for Shreveport in order to be in attendance for the entire convention. They will join the group at the Tuesday morning breakfast. Tickets are on sale at the C of C office and those who do not have transportation are asked to call the Chamber of Commerce and arrangements will be made for them. The motorcade will leave promptly at 6 o'clock Tuesday morning in order to arrive in time for the meeting.

Loss Heavy as Blast Rips Pine Bluff

PINE BLUFF, Ark. (AP) — A fire caused by a gasoline storage tank explosion roared through a three-block section on Pine Bluff's east side yesterday.

Losses were expected to be in the thousands of dollars. Two persons were hurt.

Fire Chief Joe Edwards said Noeman already were fighting a fire in a shed at the rear of the Pure Oil Co. storage plant when five gasoline tanks exploded, one at a time, shooting debris and flames hundreds of feet into the air.

The flames damaged the Planters Fertilizer and Soybean Co. five houses and another business firm before they were brought under control an hour later by firemen and volunteers.

Injured were Lonnie Shelton, 57, Negro, employee of the fertilizer plant, and Jack Reese, a fireman. Shelton was struck by a falling cable. Reese suffered burns and minor injuries when the explosion of a 15,000-gallon tank knocked him 30 feet.

Exact cause of the explosion was not determined immediately, Edwards said. There was no official estimate of monetary damage.

George Dunklin, part owner and manager of the fertilizer company, said damage to his plant would run "in the thousands and thousands of dollars."

The Layne-Arkansas Co., a farm implement firm, also was damaged by the fire.

Billowing black smoke drew hundreds of spectators. Police roped off a 2½-block area.

About 50 employees of the fertilizer plant helped fight the fire. Bits of metal fell on a nearby school where a few minutes earlier, class had been dismissed for the day.

Three Cotton Belt Railroad freight cars standing at the fertilizer company were damaged.

Crucifixion Story Recited in Jerusalem

By WITON WYNN

JERUSALEM, Jordan Section (AP)—The story of the Crucifixion was recited beside an empty tomb in Jerusalem this Good Friday in the babble of ancient and long-dead languages, widely spoken at the time of Christ.

Each of the old liturgical languages, representing a Christian community with jealously guarded traditional rights in the Church of the Holy Sepulchre.

Normally Oriental and Western churches have Easter at different times because of calendar differences but this year they celebrate Easter together.

This means there must be careful planning and split-second timing of services in the church to avoid friction.

If an Orthodox priest lights a lamp belonging to Armenians a near riot will follow.

The feeling is so strong on these points that the various rights have been written into international treaties. One such dispute in Bethlehem was a contributing cause to the outbreak of the Crimean War.

The first language used in the Church of the Holy Sepulchre Good Friday morning was the Latin tongue spoken by a Roman Centurion who stood beside the cross and declared, "Surely this was the Son of God." Roman Catholics gathered in the church to hold an early service.

By 9:30 a. m. the Latins had to make way for the Greek Orthodox, whose liturgy embodies Greek spoken by the Apostle Paul and most educated persons in New Testament times.

In the afternoon the language of Pharaohs and the language spoken by Christ mingled when the Syrians and Egyptians held a burial service at the Holy Sepulchre almost simultaneously.

In their liturgy, the Syrian Orthodox Christians use the Aramaic language spoken by Christ and most of his disciples.

It was the tongue in which Jesus cried from the Cross "My God, My God, why hast Thou forsaken me."

While these ancient tongues were used in liturgies, modern languages like German, English, Spanish and Italian were used in sermons and prayer as pilgrims carried heavy crosses along the Way of the Cross. They carried crosses from the place of Christ's trial before Pilate to the Holy Sepulchre, stopping at each of the 14 Stations of the Cross to hear sermons in their own language.

Leaves Estate of \$2 Million

SHREVEPORT, La. (AP) — Justin Gras, a Frenchman who came to this country in 1891 and worked 16 to 18 hours a day for more than 30 years in this grocery store, left an estate of more than two million dollars.

Some of the money is destined to return to his home town of Enghien in France.

Gras died last September at the age of 91. An inventory of his estate was filed in Caddo District Court yesterday and listed assets at \$2,267,938.92. Much of his holdings was in stocks and bonds of 146 companies, real estate, public utilities and oil.

Students Led by Daisy Bates, NAACP Head

By JOHN R. STARR

LITTLE ROCK (AP)—Arkansas leaders of the National Association for the Advancement of Colored People and some 20 other Negroes, mainly students, today picketed three downtown stores in a protest against lunch room segregation.

The pickets were headed by Mrs. Daisy Bates, state president of the NAACP, and her husband, L. C. Bates, a field secretary of the organization.

One other Negro adult was among the pickets.

The pickets carried signs referring to Little Rock's recent series of lunch counter demonstrations.

Some of the pickets were among eight Negroes arrested Wednesday for seeking service at white lunch counters.

Wednesday's arrests marked the second time Negroes were taken into custody after a demonstration.

Five were arrested March 10. They received 30-day prison terms and \$250 fines but have appealed.

The eight arrested Wednesday had not been tried.

Pickets marched around Bass and Pfeifers, scenes of Wednesday's arrests.

Mrs. Bates said only these two stores would be picketed at first. "But we may spread it to the other places where Negroes have been denied service," she said.

For a brief period, Mrs. Bates carried a sign which read: "Jailing our youth will not solve the problem in Little Rock. We are only asking for full citizenship rights."

Later she turned the sign over to one of the students and began supervising the operation.

White passersby glanced curiously at the pickets but otherwise ignored them.

Half a dozen police officers gathered in the area but made no attempt to interfere with the pickets.

"We won't arrest anybody unless somebody breaks the law," Capt. A. M. Haynie said.

The picketing began at Bass about 10 a.m. Pickets appeared at Pfeifers about 30 minutes later. Mrs. Bates moved back and forth between the two stores.

The students refused to talk with newsmen.

Mrs. Bates spoke freely. "You can say this picketing will continue indefinitely," she said, "until the conscience of the community is made to realize that Negroes are being refused service in these places."

Mrs. Bates said efforts had been made by both white and Negro groups to discuss lunch counter segregation with store managers.

"They have refused even to talk with us," she said.

"The Negro just is not going to be satisfied with a situation where he can buy \$1,000 worth of merchandise in one department of a store but he is considered trespassing and arrested if he attempts to spend one dime at the lunch counter."

Gets 7 Years for Fatal Beating

LITTLE ROCK (AP)—A Little Rock truck driver has been sentenced to seven years in prison for the fatal beating of his baby daughter.

Houston Presley Buck, 25, drew the penitentiary sentence in Pulaski Circuit Court yesterday.

A jury which tried Buck March 11 reduced the charge against him from first degree murder to manslaughter and set the seven-year punishment.

The child, 7-week-old Catherine Buck, died Feb. 18, 1959.

Fume Suppressor
on Cars Studied

LOS ANGELES (AP) — A law
that will eventually require a
fume suppressor on every new
car sold in California was signed
Wednesday by Gov. Edmund
Brown. As yet there is no such
device on the market.

The antismog bill he signed into
law creates a state motor vehicle
pollution control board which is to
test and certify devices which are
expected to cost the owners of the
state's eight million cars between
\$60 and \$150 each.

No new car can be registered in
the state unless it has such a de-
vice within a year after the certi-
fication of two or more vehicles.

Most commonly mentioned de-
vices are a chemical afterburner,
in which exhaust is burned off by
a chemical agent, or a simple at-

Bible Comment

RESURRECTION LIFE

By WILLIAM E. GILROY, D.D.

An eminent British scholar, Dr. J. Agar Beet, once wrote and published a very large book to prove that the resurrection of Jesus was, as he claimed, "the best attested fact in history." It is a great many years since I read it and it is no longer on my book shelves. As far as I can remember, his argument was that the centuries since Christ were unexplainable except upon the fact that Jesus survived the crucifixion and that this quickened the disciples into new activity that changed the course of history.

I do not know about the his-
torical argument, but there can
be no question concerning the
spiritual reality.

The fact stands that a group
of men had left all to follow a
Master, largely in the hope that
He was going to set up an earthly
kingdom.

They were in frustration and
gloom when they saw Him die
on a cross. As one of them ex-
pressed it:

"We trusted it was He who
should have redeemed Israel."

Unexplainable, except upon
the fact that they believed Jesus
to be their living Lord, is the
historic fact of their sudden re-
awakening, the intensity of their
new faith as they went forth to
conquer the world in accordance
with their Lord's commission.

The accounts of the resurrec-
tion vary in detail.

But the account that to me
means more than all others is
the story in Luke 24 of the two
disciples on the way to Emmaus.
The miraculous tends to take on
legendary embellishments, but
what marks this story in Luke
is its simple directness and its
spiritual quality. It is not a won-
der story.

If one wonders how a stranger
could join two travelers, become
real and communicative and as
suddenly disappear, it may be
said that in the history of psychic
phenomena incidents as strange
have occurred.

But the Emmaus story needs
no external psychic verification.
It bears the marks of its inherent
authenticity. It is the spiritual
incidence that is its verification.

It is the Easter story that to
me brings chiefly the sensing of
the risen Christ as a companion
on my travels. If He vanishes
from sight as of old there is the
sense of a living Presence, vivid
to the eyes of faith. If we have
been "slow of heart to believe,"
this Presence quickens the vision
of "all that the prophets have
spoken."

If you doubt it, read Luke 24
again, and join the two on the
way to Emmaus, and the One
whom they met.

of Central in the case which
hinged on hiring of some McGraw
employees and adopting some Mc-

Judge J. Smith Henley said

Tries to Figure
Who Should Pay

LITTLE ROCK (AP) — Who
should pay for three years of
work by a special master and
transcribing of some 7,000 pages
of testimony in a complicated
patent infringement case?

That question arose yesterday
in Little Rock federal district
court in the case of the Central
Transformer Corp. of Pine Bluff,
which was sued for alleged patent
infringement by McGraw Electric
Co. of Pittsburgh.

Special Master Robert S. Lind-
sey suggested that the two firms
split the costs. But Central re-
jected that proposal, saying the re-
sult would be to place the burden
of responsibility for the long hearings
to rule on the cost questions.

OVER BACK-COUNTRY ROADS AT 45
WITH A SKY-HIGH LOAD OF TIMBER

Chevy middleweight
shows the big rigs
how it's done!

That's a 6303 medium-duty Cheo-
rolet powered by a 253-cu.-in. V8.
But there's sure nothing medium-
duty about the load. Mr. J. E.
Blankinship, Arkansas logging
contractor, says both of his
torsion-spring 6303's "move along
at 40 to 50 miles per hour with
55,000 pounds gross weight and
maintain a 5-trip-a-day schedule
with no trouble at all." Figure the
money you save when you've got
a medium-duty truck that can
cover 30,000 back-country miles a
year with a high-tonnage load!

We've never seen anything like the
amount of praise truck owners are
heaping on Chevy's new torsion
spring suspension. Owners like the
fact the truck handles a whole lot
easier, can move faster off the road
without beating the driver to death
and shaking loose all the sheet metal.
They like the idea of extra thousands
of miles before trade-in! . . . Drive
a '60 Chevy just once. It's a whole
new experience.

(Chevy middleweight averages 300 miles
of back roads a day logging timber out
of the woods and delivering it to the
mill at Crossett, Arkansas.)

Mrs. Georgie Gephardt and Mrs. Ruth Rankins are entertained. Mrs. Mae Bell Revis, Mrs. Bonnie Warren, and Mrs. Mildred Ridgill entertained Mrs. Georgie Lee Gephardt, executive director of the Arkansas State Division and Mrs. Ruth Rankin, member of the State License Board, with a chicken dinner at Perry's on Tuesday evening, April 12.

Mrs. Ben Owen Hostess To Builders Bible Class of First Baptist Church
The Builders Bible Class of the First Baptist Church met Tuesday night at 7:30 in the home of Mrs. Ben Owen with Mrs. L. E. Booth and Mrs. Floy Honea co-hostess. The meeting opened with prayer by Mrs. M. Sanders. A Business Session followed with the Vice-president, Mrs. Noah Hobbs, presiding. A very inspiring devotion was given by Mrs. Frank Douglas entitled "Using only Fragments of Talents in Witnessing." After the Business meeting a group singing was enjoyed by all. The hostess served strawberry shortcake with coffee and iced drinks to 18 members and one visitor, Mrs. John Owens.

Licensed Practical Nurses Meet
The Hope Division of the Arkansas Licensed Practical Nurses Association met on Tuesday, April 12 in the Community Room of the First National Bank. Mrs. Mae Bell Revis, president, opened the meeting and introduced the guests, Mrs. Georgia Lee Gephardt, state executive director.

Mrs. Ruby Pool, President of the Little Rock Division, and Mrs. Ruth Rankin, member of the State License Board.
Mrs. Pansy Plumley gave a beautiful devotion based on Luke 24:1-9 and followed it with prayer. Mrs. Gephardt, guest speaker, presented a brief review of preliminary procedures and a summary of the history of practical nursing in Arkansas through the years.

In a panel discussion a short educational workshop was the topic. Miss Joyce Bailey, practical nursing student at Texarkana Junior College who is taking her clinical training at the Hempstead County Memorial Hospital, was received as a new member. She was also given the honor of being selected by Mrs. Gephardt to be her page at the 1960 state convention.

The Hope Division voted unanimously to have the 1961 convention in Hope. Mrs. Lois Steadman closed the meeting with prayer.

Miss Anita Louise Burson Entertained With Bridal Shower

Miss Anita Louise Burson of Hope, bride-elect of Olin Owens of Texarkana, Texas, was entertained at a miscellaneous bridal shower, Friday night, April 8, at the home of the future bridegroom's mother, Mrs. E. W. Owens of Junction City. The shower was given by Mrs. W. J. Greer and Mrs. H. B. Owens, both of El Dorado.

The bride-elect wore a lavender linen dress featuring a straight skirt and big, puffed sleeves. She was presented a corsage of white daffodils.

Refreshments were served to 20 guests. The table was covered with a lovely off-white crocheted cloth over a pale pink background. The centerpiece was of flowers in shades of orchid and pink.

Miss Burson is a senior at the Arkansas Baptist School of Nursing in Little Rock. She is now home for a month's vacation. Her fiancé received his B. S. degree from the University of Arkansas School of Engineering and is now employed by Gulf Oil Company in Texarkana.

The couple will be married at 2 p.m., Sunday, April 24 at the First Methodist Church of Hope.

Brookwood PTA Meets

The Brookwood PTA met Tuesday night in the school auditorium with Mrs. Arch Wylie, president, presiding. Miss Johnson, practice teacher, gave the devotion. During the business session, it was announced that the May Day Festival would be held May 5.

A ham supper will be served which will be 50 a plate. Mrs. Jim James introduced Miss Mary Schmitz, Child Welfare Director of Camden, who gave an interesting and informative talk, followed by a group discussion.

Mrs. Fullers and Mrs. Bakers' rooms won the room count.

the business meeting conducted by the president, Mrs. E. P. O'Neal, plans were made to attend the state convention in Harrison next month.

For the program Mrs. C. V. Nunn Sr. passed around the club scrapbook kept by Miss Mable Eldridge. It was complete and held 13 years of club history.

Refreshments of cream puffs and coffee were served to 15.

Garland School P. T. A. Meets

The Garland School P. T. A. held its regular April meeting Wednesday in the school auditorium. Mrs. James H. Burke, vice president, presided in the absence of the president. The meeting was opened with the entire group repeating the Lord's Prayer. Mrs. Harold Brens, secretary read the minutes of the last meeting. Mrs. M. B. Hatch gave the treasurer's report.

Mrs. Burke introduced Mr. Edward D. Trice, State P. T. A. president, who gave a most interesting talk on his January trip to Hawaii to the regular meeting of the Executive Committee of the National Congress of Parents and Teachers. He gave highlights of the trip and mentioned some of the problems found in the schools of Hawaii. After his message, the meeting was adjourned.

Mrs. Reeves room won the room count.

Shady Grove Club Meets With Mrs. Kenneth Harmon

The Shady Grove Club met April 7 in the home of Mrs. Kenneth Harmon with Darlene Sinyard acting as hostess. The house was called to order by the president, Mrs. Liller Broadster. The devotion was given by Darlene Sinyard taken from Psalms 119, after which Mrs. Veral McAdams led in prayer. The roll was called and the minutes were read by the Secretary, Darlene Sinyard. The Club was organized into a Home Demonstration Club by Mrs. Joann Phillips, Home Demonstration Agent. Each member was given a program for the year. The door prize was won by Veral McAdams.

Refreshments were served to 12 members and one guest, Mrs. Joann Phillips. The next meeting will be in the home of Mrs. Liller Broadster.

Hope Chapter of the F. H. A. Meets in the Cottage
An Easter program was presented at the April 12th meeting of the Hope Chapter of Future Homemakers of America held in the living room of the cottage.

The President, Marie Smith, called the meeting to order and the secretary, Linda Aurnon read the minutes.

The following program was presented by Janet Roberts, vice president: Sue Fuller read the Easter story from the Bible. Myra Cox read a story entitled, "The Legend of the Dogwood Tree." Patsy Mariner read a poem entitled, "A Quarry at Easter."

Shirley Allen then played a selection of religious songs on the accordion with the girls singing.

After the program the girls cast their votes for the next years president and secretary. Janet Roberts was elected President and Vernet Johnson was elected secretary. These officers will serve as delegates who will participate in the F. H. A. Leadership Conference held at Arkansas Tech in Russellville from May 30 to June 2.

Coming and Going

Mr. and Mrs. John Newberry of Hobbs, New Mexico are visiting their parents Mr. and Mrs. Frank Newberry of Hope and Mrs. D. B. Phillips of Hope.

Mrs. Roy Prather and Mary Delia of Little Rock are visiting Mrs. Steve Carigan Jr. and will be joined on Easter by Mr. Prather.

appreciate all the more the fact that you gave him his start in life.
Dear Dorothy Dix:
I am attractive and in my early thirties. My husband is fairly nice looking and past 40. We have been married two years. He has never shown any affection toward me since the day he slipped that ring on my finger. He quit kissing me. If I mentioned it, he would say that love making was nonsense. He says he can't support a family on his salary.
I have been employed 15 years but know I will have to give up my position before long because I've become a nervous wreck. My husband isn't willing for me to quit. Am I being silly (as you have said) or am I being understanding? — perplexed.
Dear Perplexed: I would be unnatural if you didn't crave love and affection in marriage. Your amiable husband evidently lacks the desire because of some psychological block. He may even have been unaware of the deficiency when he married you. At any rate, he's not normal. Consult a psychiatrist or your own doctor.

Phil Manager
Quits Team
Tops Braves

By RALPH BERNSTEIN

PHILADELPHIA (AP) — Eddie Sawyer quit because he was tired of managing or because he and the handwriting on the wall? This was the question inquiring reporters tried to get answered Thursday night before the Philadelphia Phillies, under acting manager Andy Cohen, met the Milwaukee Braves at Connie Mack Stadium.

The unexpected resignation of the 49-year-old Sawyer and immediate appointment of Gene Mauch as his successor landed on the Philadelphia sports scene like a bombshell.

"I just don't care to manage a major league club, or any club," asserted Sawyer Thursday in giving up one of the 16 coveted major league managerships.

Phillies' owner Bob Carpenter and General Manager John Quinn said they were shocked over Sawyer's decision.

"He'll still be managing if he wanted to," Quinn said.

"I'm disappointed in Eddie," commented Carpenter who brought Sawyer back in mid-season of 1958, for his second term as manager. Carpenter at that time expressed the hope Sawyer could take the youngsters building in the Phillies' farm system and develop them into a pennant winner in the same manner he did in the late 1940s.

It has been widely speculated that although Quinn and Sawyer were good friends, the one-time college professor was not Quinn's first manager. It has been felt in some quarters that Sawyer wouldn't last the season in this graveyard of managers. The 34-year-old Mauch will be the Phillies' sixth skipper since 1950.

Kills Turkey With a Bow and Arrow

HELENA, Ark. (AP)—Dr. S. A. Woodell of De Will today became the first modern-day Arkansas archer to kill a turkey with a bow and arrow.

He bagged an 18-pound gobbler with a 10-inch beard in the Storm Creek area north of here.

The kill was announced at 1:14 p.m. by Gus Albright, public city director for the state Game and Fish Commission, who said it was the first of its kind reported to the commission.

Bow and arrow hunting has become increasingly popular in Arkansas in recent years. Bow and arrow kills of deer are comparatively common.

Miteff Faces Warner in a Heavy Go

ATLANTIC CITY, N.J. (AP)—Alex Miteff, the No. 8 heavy-weight contender, faces unranked Don Warner of Philadelphia tonight in a 10-round match at Convention Hall. Miteff, a sturdy Argentine is substituting for Eddie Machen who withdrew because of his mother's illness.

The scrap gets the usual Friday night network (NBC) radio and television treatment, starting at 10 p.m. Eastern Standard Time. The referee will be the only official.

Despite his solid ranking, Miteff had some troubles in 1959 when he lost three of six. In his last two starts last year he was stopped by Billy Hunter and lost a decision to the same man. However, he has won two fights this year, both by knockouts for a 21-5 lifetime record.

Warner, 20, never has been in with a ranked opponent fighting only since 1958. He has a 10-12 record with nine knockouts. In his only 1960 bout he fought an eight-round draw with Lee Williams in a Madison Square Garden semi-final Jan. 1.

Kessinger Named All American

NEW YORK (AP)—Donnie Kessinger, the "Little Man" who has been on top of Arkansas high school athletics for the past two years, has been named to the high school All-America basketball team.

He is one of 30 players from 20 states and the District of Columbia to be cited by Scholastic Magazine in its annual all-star squad. Kessinger is one of three players on the team standing six feet and under.

Kessinger is a threat in three sports. He was an all-state quarterback in football, the spark-plug of the Forrest City basketball team that reached the finals of the AA-BA state tournament, and is a top sprinter and hurdler in track.

He set single game and tournament scoring records before Forrest City lost to Leachville in the final game.

The All-America squad includes such skyscrapers as 6-11 John Thompson of Archbishop Carroll High of Washington D.C., and 6-10 Jay Buckley of Bladenburg, Md.

The only man shorter than Kessinger is 4-10 1/2, Doug Hlatton of Clinton, Miss. George Lefkovich of Washington, D.C., also stands 6 feet.

Kessinger is the only Arkansan on the all-star team.

Conway Bros. Monopolize Track Meet

LITTLE ROCK (AP)—Conway's Owen brothers—Willard and Don—monopolized the high school and college divisions of the Tiger Relays track and field meet last night as Arkansas State Teachers College and Little Rock Central won divisional championships.

Don led ASTC to victory by winning the 100- and 220-yard dashes. Willard led Conway High by winning the high school 100 and 220 and the 180-yard low hurdles and anchoring the mile relay team to victory.

Both Owen boys won "outstanding performer" trophies. ASTC won the college division with 79 5-6 points to 61 for runner-up Ouachita. Hendrix was third with 23 5-6 and Harding was fourth with 9 1-3.

Central scored 42 points to win the high school division. Runner-up Texarkana netted 29 and Conway had 21 1-2. Fort Smith and Fordyce each scored 15.

Shotputter Hubert McLaughlin of Stuttgart and high jumper Freddy Rath of Central turned in state record-breaking performances in the high school class.

McLaughlin threw the shot 55 feet 8 inches to beat second-place Nicky Avants of Little Rock High. The state record is 54 feet one-half inch.

Pulaski Heights won the meet's Junior High division.

Besides Rath's and McLaughlin's performances, which were also meet records, four other meet records were shattered.

Victor Harville of Texarkana won the high hurdles in 15 seconds flat. John Evans of Texarkana high jumped 11 feet 6 inches. Bobby Richardson of Fordyce ran the 440 in 52 flat. And Glenn Babb of Stephens ran the half mile in 2:02 flat, the fastest time in the state this year.

ASTC beat Ouachita for the first time this year. They had met twice previously, with Ouachita winning both.

Lost Pilot Has to Ditch Plane

HAMILTON, Bermuda (AP)—The pilot of a Canadian anti-submarine plane got lost over the Atlantic today and ditched in the sea. All five crewmen were picked up safely after bobbing about in a rubber life raft for 10 hours.

The German cargo ship Sternfels took the men aboard and headed for Bermuda. They apparently were never in great danger. Their raft was spotted quickly, and wind and waves were calm.

The airman were identified by the Canadian navy as Lt. Cmdr. Leslie C. Rosenthal, 36, Dartmouth, N. S., the pilot; sub-Lt. Jeremy G. McGreehy, 22, Montreal, copilot; George S. Beakley, 32, Winnipeg; Jeremiah R. Ryan, 31, Grand Falls, Nfld., and Wells J. Judge, 27, Cookshire, Que.

Weaver Leads State Teachers

CONWAY, Ark. (AP)—A bad ankle didn't keep Dennis Weaver of State Teachers from hitting. And his pinch-hit single was the key to an 8-7 Arkansas Intercollegiate Conference baseball victory over Henderson yesterday.

Weaver, sidelined with the injury recently, drove home Bill Barnett with the winning run in the ninth inning. Barnett had doubled after Clyde Traylor hit a leadoff home run to tie the game 7-7.

Henderson had gone ahead with two runs in the top of the ninth, scored on successive doubles by Tom Perry, Harold Garvin and Carroll Harrison.

John Waldrup and Bob Shock both had home runs for Teachers and Henderson's Freddy Glaze also hit a four-bagger.

Rumors Persist of Cuba Clashes

HAVANA (AP)—Rumors persisted today of small clashes in the mountains of east Cuba between insurgent bands and armed peasants and troops reportedly led by Fidel Castro and his army commander.

Official sources in Havana remained silent on the rebel hunt. But Castro appeared to be making a major personal effort to track down insurgent leader Manuel Beaton, a former captain in Castro's revolutionary army who reportedly took to the mountains with perhaps 50 anti-Castro guerrillas.

A government official in Santiago, capital of Oriente Province, reported that Castro-led forces, combining the Sierra Maestra in Oriente captured Beaton's second-in-command and two other members of the guerrilla band.

Maj. Rene Vallejo Ortiz, chief of the Agrarian Reform Institute in Oriente, said Castro since Monday has been directing troops and peasant militia.

The longest run of any play produced in New York was established by "Life With Father." It ran for 3,213 performances.

matter of FACT

The site of the Winter Olympic Games was Squaw Valley, Calif., high in the Sierra Nevada mountains. In these same mountains, at La Porte, Calif., the Alturus Snowshoe Club was formed in 1887. This may have been the first modern ski club as it predated Europe's first, the Norwegian Christiania Skiklub, by 10 years.

Spahn to Be Used in the Bullpen

PHILADELPHIA, Pa. (AP)—Charlie Dressen, the Milwaukee Braves' manager, has a new job for Warren Spahn, his ace left-hander.

He plans to use the 38-year-old veteran in the bullpen—at least for the series with Philadelphia which starts tonight and continues Saturday and Sunday.

"I want to keep all my pitchers working," Dressen said Wednesday night. "I don't intend to start Spahn again until next week but I want him to be ready to go in and help if we need him."

Spahn, who had a 21-15 season last year and won 20 or more games a year 10 times, pitched the opening game for Milwaukee against the Pirates Tuesday, but was lifted in the eighth inning. Don McMahon, a big right-hander relieved him and got credit for the victory. Spahn gave up seven hits and two runs before he was relieved.

THE STORY: Mark Holmes dies as a result of a brain injury received in a car accident. The car was driven by Pete Jackson, Mark's law partner. They had been discussing Pete's domestic difficulties at the time and Pete had warned Mark to stay out.

CHAPTER XI

The long, dark tunnel had glass walls; behind those, Rose saw people moving, and with them there was light. Yet, though she saw them, no light penetrated the tunnel. It was black and it was cold. She was alone in it, lying flat on her belly. And constantly, she shivered.

But there were two of her; that one, alone in the tunnel, and the other, beyond the walls, where people spoke to her and she could hear them.

Days passed, a number of them. Rose was busy. She was executor, without bond, of Mark's will; if she refused the responsibility, Mark had stipulated his partners, Rose did not refuse, but David took the routine burden from her. Pete was still hospitalized. Rose had not seen him since Mark's death. Karen had come alone to the funeral and later to the house; she said Pete was taking it very hard.

David carried the office, and there was a newcomer he could trust. He had been with them a year or more; his name was Hal Newton and Rose had heard Mark, Dave and Pete discuss him; she knew they had been considering taking him into the firm, as he was extremely able. Now, without further consideration, he became a member.

Rose and Dave had long talks. Mark's affairs were in order, for he had had a tidy mind. He had carried insurance for Rose, ever since their marriage, increasing it as he could afford to. He was also insured by the firm, as were the other partners, for a very considerable sum in which Rose would share. In addition, he had carried insurance for his children, to guarantee their education. There were investments, the house was free and clear, and he had been a man who, promptly, paid his bills.

In lunatic moments her mind screamed that she wished he had not provided for them; it was as if the provision had been premonition. Then her mind would argue: This is nonsense. He did not know he would die in his forties; he's simply looked toward the unforeseeable future.

Seeing Louise again was hard. Lou looked like Mark. She said, "I didn't know whether to tell Father or not. I did finally, but I don't think he comprehended. He was just unhappy because I said I must leave him for a while. I'm so sorry I couldn't come earlier, Rose."

"It was just as well," Rose said. Lou looked at her; they were in the car, having gone out on an errand. She said again, "Father didn't understand."

"He's lucky."

Reaching home, Rose put the car into the garage, turned off the motor but made no move to get out. She said, "Before Mark died he was conscious and he looked past me and said, 'Mother'."

"I hope so," Lou said with difficulty.

Porkers Rained Out of Scrimmage

FAYETTEVILLE, Ark. (AP)—The Arkansas Razorbacks were rained out of their first spring football scrimmage of the year yesterday. They packed up and went home for Easter and won't get back in gear until late next week.

Head coach Frank Broyles said the day's practice will be made up after the Easter holidays. No practice is scheduled today or tomorrow.

The Hogs have 28 days in which to hold 18 practice sessions. Spring training will be climaxed by Red-White intra squad games May 7 at Fayetteville and May 14 at Little Rock.

Bums Feeble Image of Champions

By CHARLES MAHER

Associated Press Sports Writer.

LOS ANGELES (AP)—The Los Angeles Dodgers so far have presented a fairly feeble image of a world championship club, but they apparently haven't lost their touch for taking the tight ones.

They have been out in all of their first three games, yet have won two of them—the latest through the rare fortune of a bases loaded wild pitch in the ninth inning.

"I don't mind saying I'm disappointed," Manager Walt Alton remarked Thursday night after the Dodgers dropped St. Louis 3-2 on a curve ball delivered by Cardinal reliever Bob Dilliba.

"I'm pretty well pleased with the pitching," Alton said, "but the hitting has been awful." In 29 innings, the Dodgers have scored just six runs and have accumulated only 18 hits, an average of less than six per nine innings.

Trailing 2-1 after 8 1/2 innings Thursday night, they got a lead-off single from pinch hitter Chuck Essegian—the man who won the opener against Chicago with an 11th inning homer. Gil Hodges drove in Essegian with a triple and scored himself after two walks when Dilliba flung a curve ball into the dirt with pinch hitter Carl Furillo at bat.

Passport Denial Upheld by Court

WASHINGTON (AP)—The U.S. Court of Appeals today upheld the State Department's denial of a passport to Rep. Charles O. Porter (D-Ore) to travel in Red China.

A three-judge panel of the appellate court unanimously rejected Porter's contention that as a member of Congress he has a right to go anywhere in the world except in time of war or emergency.

The court said the case did not involve any conflict between opposing claims of constitutional powers of the legislative and executive branches of government. Porter contends there is such a conflict.

The litigation arose when Porter applied last June for permission to visit Red China. His application was denied and he carried the case to court.

Porter advocates movement of this country toward diplomatic recognition of Red China, saying his aim is not forgiveness but "simply to establish communication."

Rundown on Legislation

WASHINGTON (AP)—Here's a rundown on the status of major legislation pending in Congress:

CIVIL RIGHTS—House bill unamended and passed by Senate last week; sent back to House to be considered by Rules Committee next week. Key provision: federal refer plan to protect Negro voting rights.

FOREIGN AID—House Rules Committee has cleared authorization bill for vote; House debate may start in about two weeks; comparable bill still in Senate Foreign Relations Committee, which has approved 172 million dollars for technical assistance.

Old Men Have Dodgers Back in First Place

By ED WILKS

Associated Press Sports Writer.

So it's early yet and it may not mean a thing, but Duke Snider and Gil Hodges, to old to do it again, and Ed Roebuck, a forgotten reliever, have the Los Angeles Dodgers in first place at the moment.

Snider belted a home run, his first hit of the season, and Hodges triggered a two-run ninth that gave Roebuck his first victory since 1957 in a 3-2 decision over winless St. Louis Thursday night. That hoisted the world champs into a share of the National League lead with San Francisco and the Chicago Cubs, of who handed the Giants their first loss, 6-5, with a walk and wild-blown double in the ninth.

The Milwaukee Braves blew a three-run lead and lost 5-4 in 10 innings to the Philadelphia Phillies, left without a manager when Eddie Sawyer called it quits earlier in the day. The Pittsburgh Pirates walloped Cincinnati 13-0 behind Vern Law's seven-hit pitching.

A bases-loaded wild pitch by losing reliever Bob (Och) Dilliba won it for the Dodgers.

The Giants, who overcame Ernie Banks' third-inning grand slam homer with home runs by Willie Kirkland and Willie McCovey, were beaten when reliever Billy O'Dell walked Bob Will in the ninth and Thomas lofted a two-out fly ball. The ball dropped for a double behind short and Will was home. Don Elston, second of four Cub pitchers, won it in relief of starter Seth Morehead, who gave up a third Giant homer to Orlando Cepeda.

The Phillies, directed by coach Andy Cohen while awaiting the arrival of new manager Gene Mauch from the Minneapolis Millers of the American Assn., chased Milwaukee starter Carl Willey with three sixth-inning runs on homers by Bobby Del Greco and winning reliever Don Cardwell. In the 10th, Del Greco walked, stole second against losing reliever Juan Pizarro and scored on Joe Koppe's single.

Law, Pittsburgh's top winner last year, didn't walk a man and struck out two. The Bucs, rapped Cal McLish, a Cleveland ace last season, for five extra base hits and a 5-0 lead in three innings. Bob Clemente, 3-for-3, drove in five runs and Bill Mazeroski, who homered, drove in four as Law won his fifth in a row against the Reds at Forbes Field since 1956.

AUDIT BUREAU OF CIRCULATIONS

End of Audit Report.

WHAT IS ABC?

The Audit Bureau of Circulations, Chicago, by its own definition is: "A co-operative association of advertisers, advertising agencies and publishers for the verification of circulation of newspaper and periodical members in the United States and Canada."

It is controlled by those who buy advertising (manufacturing, merchandising and service companies, and their agencies) rather than those who sell advertising (newspapers and magazines).

COST OF ADVERTISING

Pick up an invoice for newspaper advertising and you will find that you are billed for so many column-inches at so much per inch. That's how it is billed — **but that isn't how it is sold.**

The price of an inch of advertising is meaningless unless you know what the paper's circulation is. When you know that you know the cost.

The cost of advertising is the cost per inch per thousand circulation. That's the great yardstick by which advertising is bought and sold from coast to coast. The national advertisers call it "the milline" — the cost per line (1/14th of an inch) per million circulation.

Now you know why ABC audits are important. They verify circulation — the factor which is combined with the publisher's charge per inch to establish the advertising cost yardstick.

IT'S CHEAP TODAY

Hope Star's local advertising costs about the same today as in 1929. The rate-per-inch is higher, it is true — but circulation also has increased. Here is the comparison:

	1929	1960
Local "open" rate per inch per thousand	20c	26.2c

And that's a performance we feel deserves a page advertisement all its own.

During the social hour games were played and the hostess served ice cream and cookies to 12 members. An Easter egg hunt climaxed the meeting. Mrs. Mary Norvell Watts, reporter.

Woman Walk 40 Miles on First Day

SONOMA, Calif. (AP) — Dr. Barbara Moore, 56-year-old walker from England, ticked off 40 miles the first day of her cross-country hike, several miles less than the first-day stint of two British sergeants she says she will pass.

But the servicemen—RAF Flight Sgt. Patrick Moloney and Army Sgt. Alwyn Evans — left San Francisco a day ahead of Dr. Moore. They spent Wednesday night in West Sacramento.

Red-haired Dr. Moore stopped early Wednesday evening at Sears Point near here.

"She is a very tired woman," said her hostess, Jean Fadden. Mrs. Fadden added that her guest went right to bed.

Setting out jauntily at 9:20 a.m. Wednesday from San Francisco City Hall, Dr. Moore picked Sacramento, 93 miles away, as the goal of the first leg of her 3,032-mile hike. But the California capital was still 53 miles distant when she called it a day.

Dr. Moore eats sparingly of fruit and juices and says she expects to live "to be 200 years old if I don't have an accident."

She says treks like this one and a recent 1,028-mile jaunt in England are "to prove that what we eat can kill us or keep us young indefinitely."

The sergeants, hearing Dr. Moore's boast that "I'll pass them," smiled.

Moloney said, "We don't consider ourselves as competing with her. We wish her the very best."

All three hope to beat a 94-year-old San Francisco to New York walking record of 79 days, 19 hours.

Wants to Borrow

LITTLE ROCK (AP) — Lincoln Desha Telephone Co. of Dumas asked the Arkansas Public Service Commission today for authority to borrow \$50,000.

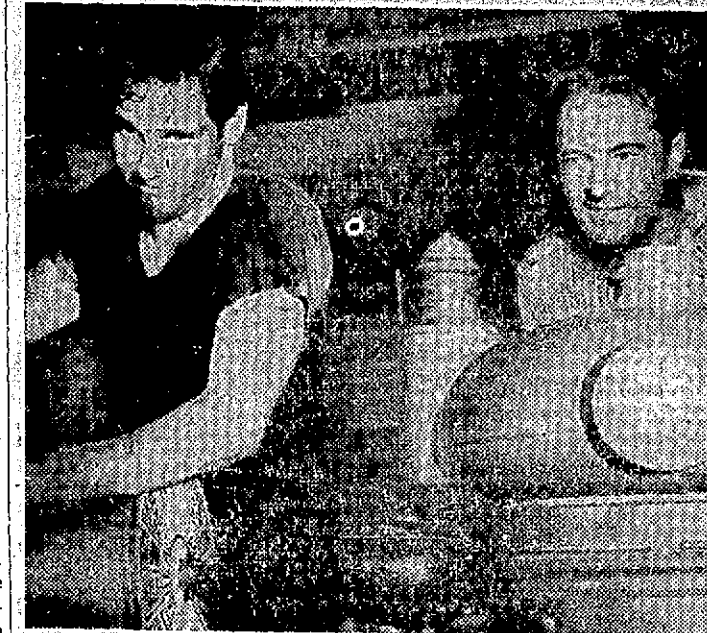

The firm said it would use the money to convert its Star City exchange to dial operation and to make other improvements.

Besides Dumas and Star City, the company serves Gould, Tillar and rural territory around the four towns.

Coming Soon to Saenger

Glenn Ford and Debbie Reynolds, as a pair of newlyweds, find the road of love a bit rocky in a scene from "It Started With a Kiss." MCM's rickety comedy of an ex-forge sergeant whose young wife joins him at his base in Spain. Much of the picture was filmed on location in Madrid and other Spanish cities. Co-starred in the CinemaScope and color production are Eva Gabor, Gustavo Rojo and Fred Clark.

Charlton Heston (left) and Cary Cooper struggle to save the ill-fated freighter, Mary Deane, in a storm-tossed sea in MGM's exciting drama, "The Wreck of the Mary Deane," film version of Hammond Innes' best-selling novel. Much of the CinemaScope and color picture was shot on location in London, Southampton and the English Channel. Guest stars in an impressive cast include Michael Redgrave, Emyln Williams, Cecil Parker, Alexander Knox and Virginia McKenna.

EDWARD G. ROBINSON, JOAN COLLINS AND ROD Steiger star in "Seven Thieves" coming soon to the Saenger Theater in Hope. Don't miss the striptease that Joan does . . . she learned it from Candy Barr.

Extradition Is Again Delayed

TRENTON, Tenn. (AP) — The former president of a Little Rock investment firm who is accused of fraud again delayed extradition to Arkansas today although his petition for a writ of habeas corpus was denied.

M. W. Nunn, 50, of Milan, Tenn., sought for a series of financial irregularities in Arkansas, immediately appealed to the State Supreme Court.

Judge John Kizer granted the appeal. Nunn was held under a \$12,000 appearance bond.

Nunn had sought the writ after Gov. Buford Ellington approved his extradition to Arkansas. He was arrested at Milan Feb. 27 on 12 Arkansas charges of false pretense, embezzlement and issuing a worthless check. A Tennessee charge of fraudulent issue also was filed against Nunn in connection with a small manufacturing plant he operated at Milan.

The Arkansas charges resulted from Nunn's financial dealings in Sheridan, Little Rock, Russellville, Fort Smith and Harrison. In Little Rock, Nunn ran the Physicians and Dentists Investment Corp.

Hotel Workers Go Against Union

LITTLE ROCK (AP) — Employees of three Little Rock hotels voted against union representation in separate elections held this week, spokesman for the Southwest Hotels chain have announced.

The elections were held at the Marion, Lafayette and Grady Manning hotels, all affiliated with the Southwest group, under direction of the National Labor Relations Board.

Tells of State Economic Gains

HOOT SPRINGS, Ark. (AP)—Arkansas has made great economic gains in the past few years, Gov. Orval E. Paulus said yesterday. He said the gains were made despite the state being "a guinea pig for an experiment of brotherhood by bayonet."

This was a reference to the 1957 integration crisis, when bayonet-armed federal troops enforced court-ordered integration of Central High School.

Paulus was lavish in his praise of the state's industrialization program, led by the Arkansas Industrial Development Commission and its chairman, Winthrop Rockefeller. Most of his talk was on this subject.

The state's debt now is 69 million dollars, Paulus said, compared with more than 170 millions a generation ago.

Paulus criticized the U.S. Supreme Court for acting as "the supreme school board."

He said if federalization continues "we are going to set up an autocracy that will grow into a dictatorship."

Pressure on Nixon to Open Up Campaign

By JACK BELL
WASHINGTON (AP)—New pressure built up on Vice President Richard M. Nixon today to open up with political campaigning before the Republican presidential nominating convention.

Sen. Barry Goldwater of Arizona, chairman of the Republican Senatorial Campaign Committee, said Nixon's showing in Tuesday's Illinois primary conceivably may bring some changes in the vice president's strategy.

Running unopposed in the GOP presidential primary, Nixon collected 725,000 votes with nearly 300 precincts unreported. This approached but still fell below the 781,710 President Eisenhower got in the 1956 primary.

Possibly more significant, however, the vice president fell more than 150,000 votes short of the total rolled up by Sen. Paul Douglas, a Democratic liberal who was unopposed for renomination to the Senate.

Goldwater said this outcome could be discounted somewhat because Douglas had done what he called a good job of campaigning and no special Republican drive was put on for Nixon.

"But it suggests that maybe the vice president ought to take another look at his determination not to campaign until after the convention," Goldwater said.

Nixon's lieutenants don't agree with this assessment, of course. They have plenty of precedent for their view that how a candidate runs in an unopposed primary has little to do with his final showing in November.

Nevertheless, they could be disturbed by the failure of nearly 100,000 Republicans who voted in the Illinois GOP governor's race to take the trouble to cast a ballot.

Three Buildings Burn at Lepanto

LEPANTO, Ark. (AP)—Two warehouses and a Boy Scout cabin were destroyed yesterday by a fire which for a time threatened to spread to more buildings. Cleveland Henderson, whose appliance warehouse was leveled, said: "We thought it was going to burn up the whole town for a while."

He said high winds hampered firemen in fighting the flames, which began in his warehouse. The cause was not determined. The fire spread to a nearby warehouse of the Wayne Drug Store and to the Scout cabin.

Henderson estimated loss of his 60 by 30 foot building and the appliances, furniture and other merchandise stored there at \$10,000 to \$12,000. The other buildings were smaller, he said. Their loss was not estimated.

Not for Nixon, even though he was unopposed.

Has System to Eliminate Air Collision

WASHINGTON (AP)—The Army said today it has found a low-cost radio system that could eliminate 99 per cent of mid-air collisions.

More than that, the service said the system also would perform navigation and the traffic control chores. It reported the proposed setup would pave the way for eventual automation of flight control.

Three scientists at the Diamond Ordnance Fuse Laboratories here evaluated a number of proposed collision-avoidance systems. They endorsed one called NATCAS, which is short for navigation, air traffic control and collision avoidance system.

They said NATCAS operates under all weather conditions, is low in cost and simple in design, preserves military and security and is suitable for all sizes of aircraft.

NATCAS would enable traffic controllers on the ground to keep a constant check on all planes aloft. Planes also could be controlled by automatic signals from unattended radio devices on the ground.

The system would warn a pilot of the danger of collision and indicate what action to take. The report said the success of the system would hinge on pilots heeding the warnings.

NATCAS involves transmissions on a radio frequency which varies with a plane's altitude. It times in other aircraft flying at adjacent altitudes and computes the direction of both planes.

The air mile distance from one end of the Burma road to the other end is 260 miles. But on the ground, it is 700 miles.

Camenella's Son Freed by Judge

NEW YORK (AP)—A judge told the teen-age stepson of former baseball star Roy Camenella, "You have a great deal to be thankful for."

He then freed the boy from a charge of larceny and receiving stolen goods—provided he stays out of trouble.

Commented Justice J. Randall Creel in Special Sessions Court Wednesday: "You have a man's body but a boy's brain."

Creel turned to Mrs. Camenella and said:

"You are an over-protective mother. Make him stand on his own feet, and make him realize what he's done."

The Queens district attorney's office had asked that the charges against David Camenella, a New York City teen-ager, be dismissed for lack of evidence. The 16-year-old youth was picked up in January with three other boys. Police said they had stolen groceries.

Schools Evacuated

NEWPORT, Ark. (AP)—Two Negro schools were evacuated yesterday after two telephone calls only minutes apart said a bomb had been placed in the W. F. Branch High School.

That school and a nearby grade school were searched, but no bomb was found. Principal N. S. Calhoun said both calls came from a man.

Newport Schools are not integrated.

Creel, instead of immediately dismissing the charges, released the boy on his own recognizance for an unspecified period.

The boy was arrested twice last year, once for being involved in a brawl and later for breaking into a drugstore. He was placed on probation.

Economist Against River Project

WASHINGTON (AP)—A University of Chicago economist challenges the proposed Arkansas River navigation project as economically unsound.

Dr. Cecil B. Haver told House and Senate Appropriations Subcommittee members yesterday that a study he made of the Arkansas project shows "It is obvious that the benefits fall far short of those necessary to render the project economically feasible."

Haver called for "a full-scale re-analysis and re-evaluation" before more money is spent on the proposed navigation channel. His findings challenge figures of Army Engineers, who concluded that the project "was" economically justifiable.

He also objected to a proposed project on the Alabama-Coosa River.
